

**WATERSHED AND FISHERY RELATED RESTORATION WORK - Page 3**

Continued list of restoration efforts conducted to 2003.

Page 3

<b>Completion Date:</b>	<b>Watershed:</b>	<b>Area Location:</b>	<b>Project Type:</b>	<b>Brief Work Description:</b>	<b>Cu Yds of Sediment Controlled</b>	<b>Partners (if applicable):</b>
2001	<b>Navarro River</b>	South Branch North Fork Navarro	Stream habitat enhancement	2 mi. enhanced	n/a	California Department of Fish and Game, California Conservation Corp
2001	<b>South Fork Eel River</b>	Huckleberry Creek	Stream habitat enhancement	0.75 mi. enhanced	n/a	California Department of Fish and Game, California Conservation Corp
2001	<b>Russian River</b>	Ackerman Creek	Riparian improvement	Livestock fence/tree plant (2000 trees)	n/a	California Department of Fish and Game, California Conservation Corp
2000	<b>Willow Creek</b>	Puttin Pin Back In THP	Erosion/sediment control	Failed culvert to rocked dip	200	
2000	<b>South Fork Big River</b>	Kelly Gulch	Erosion/sediment control	Install 16 dips, 11 of these are rocked dips	60	
2000	<b>South Fork</b>	Kelly Gulch	Erosion/sediment	Abandoned 1000' of	20	

	<b>Big River</b>		control	road		
2000	<b>South Fork Albion River</b>	Little North Fork South Fork Albion	Erosion/sediment control and fish passage improvement	Upgraded 5 miles and decommissioned 1 mile of roadways, removed 1 fish passage barrier	24500	California Department of Fish and Game
2000	<b>Smith Gulch Creek</b>	Wildhorse Shortcut @ 11 mile	Erosion/sediment control	Placed 100 yds riprap on 48" CMP fill.	150	
2000	<b>Schooner Gulch Creek</b>	Schooner Gulch	Erosion/sediment control	Road upgrades, road crossing upgrades	14536	Moat Creek Water Agency and California Department Fish and Game
2000	<b>Rolling Brook</b>	South Radar	Erosion/sediment control	Rocked fords, road outsloping & road rocking	175	
2000	<b>Rolling Brook</b>	Lee Creek	Erosion/sediment control	Culvert armoring, rocked fords & road outsloping	1500	
2000	<b>Noyo River</b>	Irmulco	Erosion/sediment control	New bridge installation.	200	
2000	<b>North Fork Big River</b>	Steam Donkey Gulch	Erosion/sediment control	Abandoned 2000' of road	52	
2000	<b>North Branch North Fork</b>	Sawyer Creek 8250-8350	Erosion/sediment control	Upgrade failing culverts.	27500	California Department of Fish

	<b>Navarro River</b>	Mile, 28.65 Mile, 30.5 Mile Masonite Road				and Game
2000	<b>Middle Hollow Tree</b>	Redwood Creek Road	Erosion/sediment control	5 rocked rolling dips + fill removal	60	
2000	<b>Mallo Pass Creek</b>	Up. N. Mallo	Erosion/sediment control	Road outsloping & culvert armoring	70	
2000	<b>Mallo Pass Creek</b>	L.N. Mallo	Erosion/sediment control	Road outsloping & rocked fords	100	
2000	<b>Lower Alder Creek</b>	Oh Beehave	Erosion/sediment control	Road outsloping	40	
2000	<b>Lower Alder Creek</b>	Bee Tree II	Erosion/sediment control	Road outsloping	30	
2000	<b>Juan Creek</b>	Lynch Gap	Erosion/sediment control	Slide Removal adjacent to III	50	
2000	<b>Juan Creek</b>	Little Juan Road	Erosion/sediment control	Fill Failure and 5 Rocked rolling dips	120	
2000	<b>Juan Creek</b>	Juan Creek Road	Erosion/sediment control	Slide removal	50	
2000	<b>Howard Creek</b>	Alviso Ridge, Rock Howard, and Howard Creek Roads	Erosion/sediment control	Rocked rolling dips(8), fill removal, culvert removals (5), slide removals(2 large), outsloping road and	1200	

				berm removal		
2000	<b>Greenwood Creek</b>	Valenti	Erosion/sediment control	Road outsloping	50	
2000	<b>Greenwood Creek</b>	S.E. Trestle	Erosion/sediment control	Rocked fords & road outsloping	350	
2000	<b>Greenwood Creek</b>	S. Long Ridge	Erosion/sediment control	Road outsloping & rocked fords	175	
2000	<b>Greenwood Creek</b>	North Corrals	Erosion/sediment control	Road outsloping & rocked fords	200	
2000	<b>Garcia River</b>	B	Erosion/sediment control	Road crossing upgrades, removed perched materials, abandon portion of road	10337	
2000	<b>Elk Creek</b>	Upper Upper Elk	Erosion/sediment control	Rocked fords, road cutbank armoring & road outsloping	500	
2000	<b>Elk Creek</b>	North Elk	Erosion/sediment control	Road outsloping & rocked fords	750	
2000	<b>Elk Creek</b>	7 Mile	Erosion/sediment control	Road outsloping & rocked fords	750	
2000	<b>Elk Creek</b>	3.5 Mile	Erosion/sediment control	Road outsloping, rocked fords & road abandonment	1000	

2000	<b>Daugherty Creek</b>	North Side Road	Erosion/sediment control	Removed large slide, end haul materials, reshaped road, removal of perched material	4000	
2000	<b>Daugherty Creek</b>	Main Line	Erosion/sediment control	Crossing upgrades, pulled perched road edge, outsloping of road, upgraded crossings	1500	
2000	<b>Cottaneva Creek</b>	lower Gulch 4 road	Erosion/sediment control	Rocked rolling dips (3), fill removal, culvert removals (2), slide removals, outsloping, road abandonment	380	
2000	<b>Cottaneva Creek</b>	Gulch 3 Road	Erosion/sediment control	Rocked dip (3), berm removal, slide/clean out culvert	80	
2000	<b>Big River</b>	Smith Gulch THP	Erosion/sediment control	Pulled up fill, outsloped, dips, rocking, riprapped outfalls	190	
2000	<b>Big River</b>	L&M Road @ 2 mile	Erosion/sediment control	Rocked .25 miles of road.	35	
2000	<b>Big River</b>	Jeep Trail THP	Erosion/sediment control	Abandoned 2800' of road	73	
2000	<b>Big River</b>	L&M Road .75-4 mile	Erosion/sediment control	Rocked .2 miles road	26	

2000	<b>Albion River</b>	78-TF	Erosion/sediment control	Installed dipped crossing	10	
2000	<b>Albion River</b>	78-TF	Erosion/sediment control	Rocked culvert fill at outlet side	20	
2000	<b>Albion River</b>	78-TF	Erosion/sediment control	Culvert replaced with larger size	10	
2000	<b>Albion River</b>	78-TC	Erosion/sediment control	Removed culvert and made rocked rolling dip	280	
2000	<b>Albion River</b>	78-TC	Erosion/sediment control	Culvert replaced with larger size	5	
2000	<b>Albion River</b>	78-KS-034-13	Erosion/sediment control	Removed perched material	9	
2000	<b>Albion River</b>	78-KS-034-13	Erosion/sediment control	Installed rocked dipped crossing	10	
2000	<b>Albion River</b>	78-KS-034	Erosion/sediment control	Installed rocked dipped crossing	25	
2000	<b>Albion River</b>	78-KS-030	Erosion/sediment control	Rocked dipped crossing	25	
2000	<b>Albion River</b>	78-KS-030	Erosion/sediment control	Removed culvert and restored to natural grade	10	
2000	<b>Albion River</b>	78-KS-030	Erosion/sediment control	Removed culvert and made rocked rolling dip	420	

2000	<b>Albion River</b>	78-KS-028-13	Erosion/sediment control	Removed perched fill material	8000	
2000	<b>Albion River</b>	78-KS-028-13	Erosion/sediment control	Removed culvert and made rocked rolling dip	30	
2000	<b>Albion River</b>	78-KS-028	Erosion/sediment control	Removed perched material	8000	
2000	<b>Albion River</b>	78-KS-028	Erosion/sediment control	Removed perched material	50	
2000	<b>Albion River</b>	78-KS-028	Erosion/sediment control	Removed culvert and made rocked rolling dip	180	
2000	<b>Albion River</b>	78-J-016	Erosion/sediment control	Removed perched fill material	350	
2000	<b>Albion River</b>	78-J-016	Erosion/sediment control	Removed culvert and restored to natural grade	30	
2000	<b>Albion River</b>	78-GG-010-06-02	Erosion/sediment control	Repair road prism	n/a	
2000	<b>Albion River</b>	78-GG-002	Erosion/sediment control	Installed rocked dipped crossing	40	
2000	<b>Albion River</b>	78-GG	Erosion/sediment control	Repair road prism	n/a	
2000	<b>Albion River</b>	78-GB-003	Erosion/sediment control	Rocked dipped crossing	10	

2000	<b>Albion River</b>	78-GB-003	Erosion/sediment control	Installed rocked dipped crossing	10	
2000	<b>Albion River</b>	78-GB	Erosion/sediment control	Removed culvert and made rocked rolling dip	30	
2000	<b>Albion River</b>	78-GB	Erosion/sediment control	Installed rocked dipped crossing	30	
2000	<b>Ackerman Creek</b>	Charlie M	Erosion/sediment control	Class III crossing fixes	150	
2000	<b>Navarro River</b>	South Branch North Fork Navarro	Riparian improvement	Tree plant (8,855 trees)	n/a	California Department of Fish and Game, California Conservation Corp
2000	<b>South Fork Eel River</b>	Redwood Creek	Stream habitat enhancement	0.5 mi. enhanced	n/a	California Department of Fish and Game, California Conservation Corp
2000	<b>Navarro River</b>	McGarvey Creek	Stream habitat enhancement	0.75 mi. enhanced	n/a	California Department of Fish and Game, California Conservation Corp
2000	<b>Navarro River</b>	Little North Fork Navarro	Stream habitat enhancement	Culvert baffles	n/a	California Department of Fish and Game, California Conservation Corp
2000	<b>South Fork</b>	Huckleberry	Stream habitat	0.5 mi. enhanced	n/a	California

	<b>Eel River</b>	Creek	enhancement			Department of Fish and Game, California Conservation Corp
2000	<b>Navarro River</b>	Flynn Creek	Stream habitat enhancement	0.75 mi. enhanced	n/a	California Department of Fish and Game, California Conservation Corp
2000	<b>Navarro River</b>	Cook Creek	Stream habitat enhancement	0.25 mi. enhanced	n/a	California Department of Fish and Game, California Conservation Corp
2000	<b>Navarro River</b>	Bottom Creek	Stream habitat enhancement	1 mi. enhanced	n/a	California Department of Fish and Game, California Conservation Corp
2000	<b>South Fork Eel River</b>	Bond Creek	Stream habitat enhancement	0.75 mi. enhanced	n/a	California Department of Fish and Game, California Conservation Corp
2000	<b>Russian River</b>	Alder Creek	Riparian improvement	TREE plant (12,090 trees)	n/a	California Department of Fish and Game, California Conservation Corp
2000	<b>Russian River</b>	Ackerman Creek	Riparian improvement	Tree plant (800 trees)	n/a	California Department of Fish and Game, California Conservation Corp

1999	<b>Upper Hollow Tree Creek</b>	Huckleberry Pass Road	Erosion/sediment control	Rocked rolling dips (4) and fill removal	60	
1999	<b>South Fork Garcia River</b>	S. F. Garcia	Erosion/sediment control	Rocked fords	100	
1999	<b>South Fork Big River</b>	Kelly Gulch	Erosion/sediment control	Rocked .34 miles road	47	
1999	<b>Russell Brook</b>	Russell Brook Road	Erosion/sediment control	Replaced log stringer bridge with railcar bridge (#2)	300	
1999	<b>Russell Brook</b>	Russell Brook Road	Erosion/sediment control	Replaced log stringer bridge with railcar bridge (#1)	300	
1999	<b>Ray Culch Creek</b>	Roller	Erosion/sediment control	Install 7 Rocked Rolling dips	800	
1999	<b>Noyo River</b>	Marble Creek	Erosion/sediment control	Rocking of rolling dips.	350	
1999	<b>Noyo River</b>	Hunter's Camp	Erosion/sediment control	Reshaping of roadway, outsloping, rolling dips, slide & fill removal of 2+ miles of road	2000	
1999	<b>North Fork Noyo River</b>	River road	Erosion/sediment control	Upgrade watercourse crossings, storm proof	1820	
1999	<b>North Fork Big River</b>	Waterhole Rd @ 2mile	Erosion/sediment control	Rocked 150'	4	

1999	<b>North Fork Big River</b>	Dunlap Road	Erosion/sediment control	Pulled up fill, outsloped, dipped 3 miles of road	160
