

HABITAT SURVEY FORM

Botany Department

PROJECT NAME		SURVEY DATE(S)		OFFICE USE ONLY (initial & date)		
THP #		SURVEYOR(S)		Received by:		
UNIT #		STREAM BASIN		Data entry:		
AREA FORESTER		PLAN WRITER		Archived:		

Attach survey routes and maps. Map different habitats observed. Canopy changes can be indicated on map.

SPECIFIC LOCATION	T	R	S	(¼ S)
MAP CODE	This description matches mapped sections (color) coded:			
PLANT HABITAT?	No Yes: List plants			
Canopy cover estimate %:	Dominant shrubs (list)		%	
Stand size class: Se Sa P Y M				
Moisture: W M X				
Slope (degrees):				
Elevation:	Shrub layer: O M D			
Aspect:	Dominant herbs (list)		%	
Dominant trees (list)
